

Workshop on “Energy Solutions for CSCs”
Organized by TERI
at
TERI
on
16th May 2007

Time: 10 am – 12:15 pm

Objective: This workshop aims to discuss possible energy solutions based on Decentralized Distributed Generation (DDG) for the Common Service Centres under the National e-Governance Programme of the Government of India. Particularly, the discussion would focus on workable solutions based on solar and biomass gasifier technologies to the CSCs which would come up in villages which are poorly or not at all connected with the grid. The discussion will also open up avenues for financing options for these solutions.

AGENDA

9:45 am – 10:00am	Registration
10:00 am – 10:05am	Welcome Address: Dr. Leena Srivastava, Executive Director, TERI
